salary and after agitation, the Government thought it fit to see that average of 12 months' salary is taken into consideration while fixing the pension. The Government also got the MCSR rules amended to that effect. So far as old Mysore State officials are concerned it is all-right. But officials coming from erstwhile Hyderabad, Madras and Bombay have been guided by their own rules and similar provision has not been made in respect of them. Therefore, Sir, while persons who were governed by MCSR have been conferred with these benefits, persons coming from various other States have been denied these benefits being not conferred on them. So, Sir, a uniform rule should be made so that all the pensioners will be paid uniformly and similar benefits are conferred on every one of the Governmet servants who retired, whether he belonged to old Mysore or Hyderabad or Madras area.

Now coming to officials who have been getting above Rs.1200 up to Rs. 1,800, if the policy of the Government is to fix the basic salary of lowest paid Government servant at Rs. 150 it should not exceed Rs. 1500 in the case of highest paid Government servants. If they are going to agree under the circumstances of our financial strain that Rs. 100 would be sufficient for the lowest Government servant, then the topmost man should not be paid more than Rs. 1,000. Any recommendation made to pay more than 1 : 10 is not in the interest of the State. If they were to pay Rs. 1,800 and Rs 2,000, then the State Exchequer will get empty. Thank you.

Report of the Naronha Commission

re: Disturbances in Madhugiri Taluk

Presentation.

Sri VEERENDRA PATIL (Chief Minister).—I beg leave to lay on the Table of the House a copy of the Report of the Naronha Commission appointed by the Government in Notification dated 22nd January 1968 to enquire into and report on the alleged disturbances in certain villages of Madhugiri Taluk in December 1967 *

Mr. SPEAKER.—The report is laid on the Table.

Sri B. P. GANGADHAR.—I want to make a simple request.

Mr. SPEAKER.—The hon. Member's difficulty is that if he wants to go through it in detail, it may not be possible to do so if it is placed on the Table of the House. Is it possible for the Government to print the Report and circulate it among the Members?

Sri VEERENDRA PATIL.—The Report is a voluminous one. I think it runs into more than thousand pages. So it will take lot of time to get it printed. Also the cost involved in it is very heavy. So it is very difficult to get it printed. If the hon. Members feel the necessity for one or two more copies, I am prepared to place them on the Table of the House. I shall try my best to place as many copies as possible.

* Copy placed in the Mysore Legislature Library *vide* No.....

Sri B. P. GANGADHAR.—Sir, you are aware that very huge expenditure is incurred so far as this matter is concerned. For payment of counsels, etc., lakhs of rupees are spent. When we have spent so much money over the matter and when all of us are interested on this particular matter, why should it not be printed? As I have already submitted to you, it is running to thousand pages or so. If it is placed on the Table of the House, it may be realised how long it will take for all the Members to go through it. As long as the House is in session, we have to participate in it. We can devote at the most half-an-hour or one hour for going through the Ruport. At this rate, it would take months to go through the entire Report. If we take the strength of the other House into consideration, nearly 300 Members would have to go through the Report. When lakhs of Rupees have been spent on the Commission, another couple of hundreds of rupees for getting the Report printed should not be considered a big burden or very costly. I want the Government to see that copies are printed and supplied to every one of us. If for any reasons it is found not possible to comply with my request, at least one copy may be given to me as I am particularly interested in it.

Sri M. S. KRISHNAN.—I must add a word to what Sri Gangadhar has said. If the intention is to simply place the Report on the Table and leave it at that, it is all right. If the intention is to have a discussion about it, naturally we must have a copy each. We learn a number of interesting things have been discussed in the Report and a number of interesting observations have been made. So we would like to know what the findings are and how they are based. The arguments are necessary if we have to speak. Without a copy of the report with us, how can we speak on it? Cost of printing should not be the consideration for the Government not to get it printed. When you can get printed Tukol Commission Report running into volumes and more than thousand pages, this Report of the Noronha Commission can also be printed and circulated.

ಶ್ರೀ ಬಿ. ಭಾನ್ಕರ ಶೆಟ್ಟಿ (ಕಾಪು).—ವಿಧಾನ ಸಭೆ ನಡೆಯುತ್ತಿರುವುದರಿಂದ ಮೆಂಬರ್ಸ್ ಬಹಳ ಬಿಜಿ ಆಗಿರುತ್ತಾರೆ. ಆದ್ದರಿಂದ ಅದನ್ನು ರೂಮಿಗೆ ತೆಗೆದುಕೊಂಡು ಹೋಗಿ ಓದ ಬೇಕಾಗುತ್ತದೆ.

Mr. SPEAKER.—In order to accommodate the Members, I request the Hon. Chief Minister to make available as many copies of the Report as possible so that I shall keep about half a dozen copies in the Legislature Library to enable the members to go through them.

ಶ್ರೀ ಬಿ. ಭಾನ್ಕರಶೆಟ್ಟಿ.—ಸ್ವಾಮಿ ಪ್ರಿಂಟ್ ಮಾಡಿ ಎಲ್ಲರಿಗೂ ಒಂದು ಕಾಪಿ ಕೊಟ್ಟರೆ, ವಿಷಯ ತಿಳಿದುಕೊಳ್ಳುವುದಕ್ಕೆ ಅನುಕೂಲ ಆಗುತ್ತದೆ.

Mr. SPEAKER.—Since it will take a number of days to get it printed, I have requested the Government to place half-a-dozen copies at my disposal. I shall keep them in the Library.

Sri C. K. RAJAIAH SHETTY.—When we have spent more than two to three lakhs of rupees on the Commission, the printing charges will be a pittance. The hon. Chief Minister can get it printed.

Mr. SPEAKER.—It is for the Government to take action.

Sri M. S. KRISHNAN.—It is not enough if it is kept in the Legislature Library because we will have hardly any time here to go through it. We will have business in the House from 1 P. M. to 6 P. M. From what the Chief Minister said, it appears that he wants to shut out criticism on it.

Mr. SPEAKER.—The hon. Member is anticipating things which are not there.

Sri M. S. KRISHNAN.—The straightforward way would have been to print it and hand over copies to us.

Sri H. SIDDAVEERAPPA.—I would like the Government to recall the background under which the Commission was appointed and the amount of publicity that issue raised. Now if cost is the only consideration for not getting the Report printed, I would say, it won't be right not to supply copies to the Members if they desire them. The consensus of opinion on this side is that Members do require copies so that they may read them and understand what the findings are. It is another question whether any discussion would be allowed or not. That is a different matter and we need not consider it now. But if these copies are kept on the Table, we cannot carry them home. We have to sit here and read only when the Library is open; that may be rather difficult I believe that the Judge has prepared his report in parts ; he has given his report in so many chapters. So it may be published in chapters or it may be given in different booklets instead of publishing it in one booklet. Government may publish it in different volumes. Cost should not be the determining factor for not getting the copies printed and supplied to the Members.

Sri VEERENDRA PATIL.—The Report is in ten volumes or separate chapters. The findings are found in part IX. So, if the hon. Members agree, I shall see that this Part IX which contains the findings of the Enquiry Commission will be got printed and distributed. And those who are interested in knowing the details, can refer to the detailed report. I will get this one Part printed and circulated to the Members.

Mr. SPEAKER.—That should satisfy the Members.

ಶ್ರೀ ಬಿ. ಪಿ. ಗಂಗಾಧರ.—ಬರೀ ಕೊನೆಯ ಒಂದು ಭಾಗ ಕೊಟ್ಟರೆ ಏನು ಪ್ರಯೋಜನ ವಾಗುತ್ತದೆ ? ಬರೇ ಫೈಂಡಿಂಗ್ಸ್ ಕೊಟ್ಟರೆ ಏನಾಗುತ್ತದೆ ? In that case, we will not be able to see the entire thing. What does the last part contain ? It contains the operative part, " I convict you for so many years and send you to the gallows." The finding will be that " I feel that you are liable for punishment or that I exonerate or acquit you " I think the Chief Minister can make up his mind and get all the parts printed because all of us-not only on this side but also on his side, are interested in this matter. Many of my friends on that side also told me that the Report may be printed and copies supplied to the Members.
